Summer Competitions

Robotics

Grab a teammate and compete in our first summer robotics competition. Using Lego Mindstorm kits, teams will be presented with a set of challenges to be completed, in order to score points. The teams will have all summer to work on engineering and programming their robot, leading up to a final day of competition. Teams may begin working on their robot on Friday, June 5. Final competition will take place on Saturday, August 8. For more information or to register a team, contact the Create It space at 817.410.3407 or email createit@grapevinetexas.gov. Preference will be given to pre-made teams of 2-3 students. Team spaces will fill up very quickly, so if you are interested please register as soon as possible. Ages 10 – 15.

Game Design

Grapevine Library is having its first summer Game Design competition for Middle and High school students from June 5th to August 14th. Attend classes in game design, programming, and art. Use this summer as an opportunity to build your first game and compete! For details, please visit the library's website at grapevine.lib.tx.us and choose Create It from the left hand menu.

Wii Super Smash Brothers Tournament

Grab your friends and join us on Friday, June 19 from 2 to 4 pm for a fun video game tournament. Ages 10 and up. No registration needed.

A Hawaiian Escape

Enjoy a musical and dance celebration of hula culture and tradition with the Island Crew Entertainers. Learn the history of both ancient and modern hula dance. Take a glimpse into Polynesian cultural entertainment from Tahiti to New Zealand. Experience a hula dance performance and the sounds of the traditional hula drums. This is sure to be a fun and educational event for the whole family. Presented Saturday, June 20 at 2 pm.

Entwined Minds Book Club

The book club will meet on Monday, June 8th at 1:00 p.m. We will be discussing the book *Behind the Beautiful Forevers* by Katherine Boo. Annawadi is a makeshift settlement in the shadow of luxury hotels near the Mumbai airport, and as India starts to prosper, Annawadians are electric with hope. But then terror and a global recession rock the city.

Genealogy

Name Droppers

On Monday, June 8, join the genealogy buffs for Nancy Maxwell's presentation: Library of Congress as a Genealogical Resource. Name Droppers programs begin at 10:30 am. Please join us and learn more about the fascinating world of genealogy.

Explore Horizons

Tutors from Explore Horizons will teach a writing workshop based on the book *Flora & Ulysses* on Tuesday, June 9 from 5 to 6 pm. This workshop is for 7-10 year olds. Please call 817-410-3405 to reserve a spot.

Pint Size Polkas

Children of all ages will enjoy the good vibes and bouncy beat of catchy polka tunes as they learn about letters in the alphabet, numbers, and more. Please join us on Thursday, June 11th at 7 pm and meet the man behind one of our favorite storytime songs, The Whoop Polka!

Make & Take: Rainbow Colors

Explore the colors with diffusing paper and droppers of liquid watercolors on Thursday, June 18 at 7 pm.

Game Days

Spend Friday afternoons (beginning June 12th) from 2 to 3:30 pm playing board games in the Children's Program Room. We have chess, checkers, Scrabble, Guess Who, Connect Four, Jenga, Pictureka, Don't Break the Ice, and many more.

Science Saturdays

Young scientists ages 6+ are invited to investigate scientific principles with us twice monthly. Snap Circuits will be available on Saturday, June 20 from 1-4 pm. The Contact Science program using kits provided by UTD is offered monthly with a different topic each month. The next program will be June 27 from 2 to 3 pm. Topic TBA.

R.E.A.D. to a Furry Friend will not meet in June.
